As we discussed on the telephone this morning, here are your answers and prices for the items:

1. Complete conversion. \$17,950.00
2. Update valve spring retainers, parts & labor. 1,079.84
3. Second seat, less six point harness. 1,331.98
4. We will send lug nuts with car.
5. We will install a modified dashboard, exchg.
6. Used rear wheels. **Not available at this time.**
7. Documentation: you will be receiving a large book of technical inserts relating to your car and an RS booklet.
8. Parts are available but very expensive.
9. We will proceed as usual.
10. We will send with the car 4 ea. front & rear brake pads. 365.92
11. We will make every effort to have the car finished by the 18th or 19th; however, I cannot guarantee this.  
(I will give you a week's notice regarding arrangements to be met with Intercity Transfer).
12. We will leave the second muffler support in place.
13. We will include several sets of Andial decals.
14. We will supply 6 number balls at \$15 ea. 90.00

Total: \$20,817.74  
Less deposit: \$10,000.00  
**Grand total:** \$10,817.74

We hope this answers all of your questions.

Sincerely,

  
Mark Popov-Dadiani  
MP-D:mc
